Mr. 20100

[[initial Report]] Miss H, an out of control bitch, this time it's violence?

1. Adding on to her continuing scandals, top model Miss H once again commits an act of brutality, making everyone down with disgust. With the reason of speaking informally to her from the beginning, she threw a punch at a senior aged middle-management executive's face. He spoke in a friendly manner as if a father would do to his daughter, but she lashed out unthinkable vile words without hesitation for simply treating a top model unprofessionally. Being hit by a very young girl was shocking to the middle-management executive, however he was far more shocked by the hidden personality of Miss H, who is known to have good and easy-going personality. Furthermore, his misery worsened due to the fact that his newly done expensive incident broken because of her. With an apologetic attitude, Miss H's agency is planning to compensate for the medical expense and the consolation fee, but even with billion fees, it would be difficult to compensate for his shattered pride. Miss H is slowly going out of control, and soon even the president will have to be careful in speaking to her. Because you never know when her punch is coming.

Anything but that-!

Thanks to you,
I feel like the
important
things are going
to be resolved!

Thank you
for all that
you've done
for me!

Yeah, I can't
just be at rest
like this

I worked so
hard to become
who I am!

Like he said
if I die while
working~

At least...

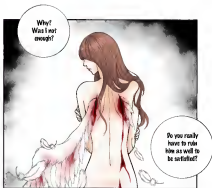

People will
remember me

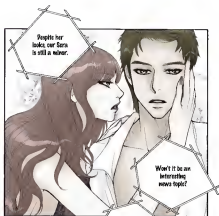

Despite her looks, our Sera is still a minor.

Woe'n it be an interesting news topic?

It will be very exciting.

Km Km

ARE YOU CRAZY??

IF THAT HAPPENS, THAT SERA GIRL WILL BE KILLED AS WELL-!!

Mind your
own business.

I don't give a shit
about what hap-
pens to that girl.

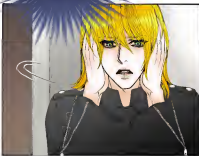

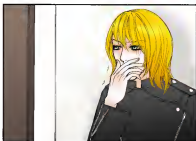

There are
enough substi-
tutes for Kim
Sera.

Kids are bred up
in desperation to
become a model.

Nauvashae...

...Why are
you here?

You disappeared
from the hospital
so I was very
worried...

Your clothes
are too thin
when it's this
cold...

It would be
terrible for you
to get a cold...

Your body
is already
weak...

.....

Let's go-
I'll take you
home.

What
should I do
now?

That kid...

Why did he ask
such a thing
from me...?

Do you have
to see Jong

wake up?

***** IN KOREA, YOUNGER GUYS CALL OLDER GUYS 'HYUNG' WHICH BASICALLY MEANS OLDER BROTHER.

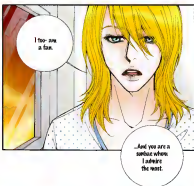

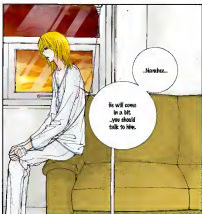

I saw it on the internet news.. It even states which hospital.

I met your messenger in front of the hospital gate by chance..

He willingly admitted we here saying that he was my fan, you know?

Can you keep my
visit a secret from
Naruke? It'll
bother him for
nothing ...

...I will.

Overcome...

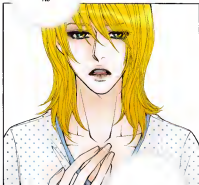

...No matter
what...

My request...
No—

Can you grant
me a wish?

Think—

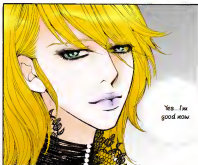

Think of me
as Nawkee
and-

Just for
once...

Good
bye!

watch me
as I work

...This is enough
for me

MODEL

MODEL

That time.. Why
did you pick me?

I was fat..
shabby..

Even with clear
eyes, no aspect of
a model could've
been found in me..
Then why ...

...Your attitude
showed that you
would do anything to
become a model.

So losing weight
seemed like a
piece of cake.

And without the
weight, we had a
quite useful image.

Why? ...Was you
expecting an ex-
traneous reason
behind it?

Yes- President
Kied

Ah- You want to
change the loca-
tion? Yes, I know
that place well.

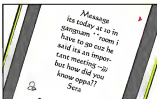

What is he
planning this
time?

..Reporter
Park.

It's me,
Shinwoo.

..Should I tell
you an exclusive
news?

**In another
news-**

**Kang Tae Se, repre-
sentative of O.K. Korea's
best entertainment
agency,**

**was arrested
earlier this morning
for allegedly procur-
ing prostitution.**

Last night around 11 at a private bar in Gangnam, Kang pressured his own model Miss K to perform sex for bribery.

and was caught red-handed by the police who received a report from a related party.

What's more shocking is that,

Miss K is a minor yet to graduate from high school.

In addition to the investigation, they have also discovered his regular act of stock price manipulation and tax evasion.

So if the evidence solidifies, we predict that it would be difficult for him to avoid jail sentences.

More detailed report
will be shared today
at 9 o'clock news-
